March 18, 2026

Dear Boys & Girls Club Leaders,

On behalf of Boys & Girls Clubs of St. Lucie County, I am pleased to share our experience partnering with our local Soroptimist club to implement the “Dream It, Be It” program.

Through this partnership, our Club members had the opportunity to participate in a program designed to support young women in exploring future careers, building confidence, and setting meaningful goals. The experience created space for thoughtful conversations, mentorship, and personal reflection that encouraged our girls to think more intentionally about their futures.

At Boys & Girls Clubs of St. Lucie County, we value partnerships that align with our mission to help all young people reach their full potential. In our local experience, the Soroptimist team we worked with was committed, collaborative, and intentional in delivering a positive experience for our youth. The program complemented our efforts in academic success, career readiness, and character development.

While each Boys & Girls Club and Soroptimist partnership may vary, we found this program to be a meaningful addition to our programming and appreciated the opportunity to work alongside our local Soroptimist organization.

If helpful, I would be glad to share more about our experience.

Warm regards,

Gaby Simpson  
Vice President of Donor Stewardship  
Boys & Girls Clubs of St. Lucie County
